

Bamburgh Parish Council

“Supporting the community”

BAMBURGH

Dear Bamburgh Property Owner and Friend of the Village,

A request to owners of Holiday-let properties registered for Business Rates

For the past three years Bamburgh Parish Council has asked owners of holiday-let accommodation for a contribution towards the cost of administering, maintaining, and improving the facilities for which we have responsibility. These include our children's playground, grass cutting, Christmas lights, the beach wheelchair project, maintenance of the war memorial, and general upkeep of the village. These ongoing commitments have grown in response to the village's increased popularity. Although specific investments such as the play area refurbishment and the wheelchair project are funded by generous donors the Parish Council also contributes financially to these projects.

As a reminder, the Parish Council is funded through a Parish Precept, collected as part of Council Tax. However, no portion of the Business Rate payment reaches us. Hence this request which we believe spreads the burden more fairly.

We have been both pleased and encouraged by the response and support that we have received previously and are grateful to those who have contributed.

We ask you to continue to support our work with a minimum contribution of £30 per property.

Payment directly from your bank account to Bamburgh Parish Council OR Annual Standing Order:

Account number – 00164887 Sort Code – 20-58-17 Ref: Your business name.

We hope that you and your visitors continue to enjoy Bamburgh in large numbers. Further details of what we do and information about our meetings can be found on our website.

Any queries please contact our parish clerk: Joan Mitchell - Email address: bamburghcouncil@gmail.com

Thank you for your support.
