**WE NEED YOU!**

**🌊 The Big Dip – In Support of The Fishermen's Mission! 🦞**

**We're the team from The Potted Lobster, and we're braving the icy North Sea for a fantastic cause! Our Big Dip is all about raising money for The Fishermen's Mission, a charity that supports the incredible fishermen who make our restaurant possible. Without their hard work and courage at sea, we wouldn't be able to serve the delicious seafood we all love. So, we're taking the plunge to say thank you – and we need your help! 💙**
